St. Paul's to be illuminated: The Church is to be lit up with colour changing LED lighting; the project is being funded by the Port Adelaide Enfield Council and the State Government.

From the Portside Messenger: "St Paul's parish priest John Stephenson was looking forward to the 1905 church, on the corner of St Vincent St and Church Place, becoming a colourful attraction.

"It will do a world of good to bring people's attention to us and it is mutually beneficial to everyone," Mr. Stephenson said.

"I think it proves that the council wants to do something and it is a good sign for the people in the district that there is some activity happening."

Port Adelaide Enfield corporate services director Kate Kroon said the lights were expected to be installed within the next two months."

Thankyou: Angela & John McKay, along with their son Paul have asked me to express their heartfelt thanks for your prayers over the past months while Paul has been serving overseas in the Australian Army.

The McKay family has connections with the Port and Rosewater, Paul was confirmed at St. Paul's.
