

OUTDOOR WEDDING REQUIREMENTS

If a wedding is to be conducted outside of a church, then the following pre-requirements would need to be met.

1. Chairs/forms in a semi circle (Make sure there are reserved signs placed on wedding party and parents chairs)
2. Archway decorated with greenery or flowers
3. Large cross (NOT A DARK COLOUR) to hang from centre of archway
4. Sound system with at least one microphone
5. Music (Cassette or live music)
 - (a) As bride enters (1 song or music track)
 - (b) During signing of the register (2 songs or 2 music tracks)
 - (c) As couple leave to walk down the aisle (1 song or music track)
 - (d) Each of above songs are best on a burnt CD but you need to test this on the CD deck you are going to use. Some burnt CD's don't always work on certain machines.NB: If using a CD deck it needs to have RCA plug outlets that can be connected to the PA amplifier you hire for the service.
6. Signing the register
 - (a) Table with two chairs in front (Table to have a white cloth on it)
 - (b) Fountain pen or biro to sign register
7. Marriage preparation and interviews are exactly the same as requirements for weddings in an Anglican church
